Foreword by Peter Berenyi, a member of the organizing committee European Deaf Chess Championship in Amsterdam 2021

Dutch chess event in Amsterdam is fast approaching and I have been thinking about the reasons why we celebrate TOG's 100th anniversary and the first edition of the Women's World Cup, which took place during the eleventh ICSC Individual Championship in Rotterdam (Netherlands) exactly 25 years ago (1996).

Let's look at the year that ended with the number 1; it's really special!

- The first structured tournament was in Leeds, England in 1841.
- The first international chess tournament was held in London, England in 1851.
- The first international women's sports event was the 1921 Women's Olympiad in Monte Carlo, Monaco. (The first Women's World Chess Championship was in 1927 in London.)
- The first World Junior was held in 1951 in Birmingham, England.

Suddenly there are many reasons to celebrate TOG's jubilee and both TOG and the Dutch OC-Team are looking forward to welcoming you to this European Championship in Amsterdam - Welcome!

Thing to see and to do in Amsterdam South-East

Due to technical reasons, it is, unfortunately, not possible to hold the European Chess Championship in the Zuiderkerk. However, there is another beautiful location available: the Bijlmer sports center. It is located in the Amsterdam Zuidoost (South-East) district, where the Hostel A&O is also located. There are also beautiful things to see and to do in Amsterdam South-East and its surroundings!

1. Johan Cruijff Arena (Johan Cruijff Boulevard 1)

This large stadium is the home of AFC Ajax, and is located close to the hostel A&O. A special tour in International Sign will be organized on **Friday, October 22nd, 2021**. You can find more information on page 12 'SWDA Deaf Chess Tours Amsterdam 2021'. Website:

<https://www.johancruijffarena.nl/home/>

2. World of Food (Develstein 100)

Amsterdam South-East is very culturally diverse, which is reflected in the food options that can be found in this area. These possibilities come together in the World of Food: a food hall located in an old parking garage. There is food from all over the world. Nice to taste new things!

Website: <https://worldoffoodamsterdam.nl/>

3. Recreation park Gaasperplas (Gaasperplas Park)

The Gaasperplas Park is a recreation and nature area with a lake on the Floriade site from 1982. Here you can relax: there are walking and cycling routes and beautiful flora and fauna. There also opportunities to do some water sports.

Info for those who travel by plane

For the guests of the hostel A&O:

Arrival at Schiphol airport

How do you get to the hostel A&O?

Take the train from **Schiphol Airport** station
(platform 3, direction Utrecht Central or Eindhoven Central or Venlo)
to **Amsterdam Bijlmer ArenA** station.

Traveling by train takes 15 minutes.

A train ticket for a single journey costs € 4.20 per person.

Get off at **Amsterdam Bijlmer ArenA** (Ajax) station
from there you need to walk to the hostel A&O; this will take 10 minutes.
Hostel A&O - Hogehilweg 22, 1101 CD Amsterdam Zuidoost (Southeast).

Visit to the Deaf Meeting Center and the center of Amsterdam

After playing chess, you may want to go out. In this case, you should take public transport from the hostel A&O or from the Bijlmer sports center. You don't have to buy a multi-day ticket: if you don't go out every day, you buy 2 x a 1-hour ticket for the round trip. A GVB 1-hour ticket for a single trip costs € 3.20.

For those who chose to stay at another hotel:

Arrival at Schiphol airport

How do you get to your hostel?

Take the train from **Schiphol Airport** station to Amsterdam.
You should find out yourself which train to chose.
The price of the ticket therefore also depends on your destination.

Registration at the hostel A&O

The registration is on Sunday, October 17th, at the hostel A&O from 12:00 PM to 06:00 PM. That's where officials may sign up for their chess players.
If you stay in another hotel, you will go there by public transport.

The prices of the multi-day tickets

You buy a GVB multi-day ticket (5, 6 or 7 days) from **GVB Service & Tickets**, which can be found everywhere in Amsterdam. See <https://reisinfo.gvb.nl/>

You need this card to travel by public transport (metro, tram and bus) to the Blijmer Sports Center for chess, to the Deaf Meeting Center for social activities and to the center of Amsterdam for sightseeing.

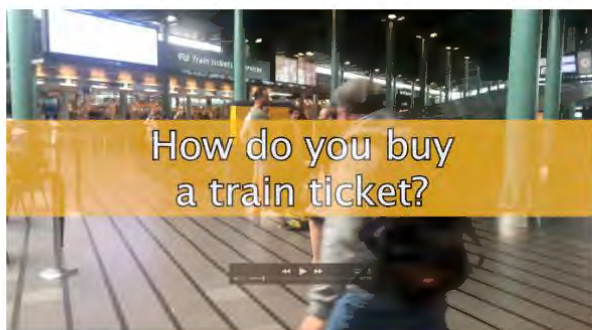

Here are the rates of the multi-day ticket per person:

5 days (120 hours) € 29,50

6 days (144 hours) € 34,00

7 days (168 hours) € 37,00

You will soon receive five short instruction video's via WhatsApp, so that you can follow it on your smartphone along the way:

How do you get to the Bijlmer Sports Center playing location?

The address is Anton de Komplein 157, 1102 DR Amsterdam Zuidoost.

For the guests of the hostel A&O:

The walking distance from A&O hostel to sports center is 1.5 km.
That's a 20 minutes walk.

For the people who have chosen another hotel:

You may probably want to use public transport (metro, tram or bus) to travel from your hotel to the Bijlmer Sports Center.

Take metro 54, direction Gein - get off at Bijlmer ArenA station – walk 10 minutes to this sports center. The exact journey depends on where your hotel is.

Rules for travelling regarding COVID-19

To see which COVID-19 rules you need to follow when travelling to Amsterdam, please check all risks and other important information in the travel advice of the Ministry of Foreign Affairs in your own country before you leave.

Those of you who have not been vaccinated: please let us know immediately at tog@swda.nl
